Municipal Finance Law Since 1971

Customizing EMMA® Issuer Homepages.

Municipal securities issuers: Take charge of how information about your outstanding issues is displayed on the Electronic Municipal Market Access (EMMA®) website with a customized issuer homepage.

Use your homepage for a centralized view of trading activity, official statements, continuing disclosures and refunding escrows for your bond issues.

Communicate more effectively with investors by:

- Customizing your EMMA issuer homepage to verify your list of bond issues and provide additional information to investors.
- Confirming the list of outstanding securities associated with your homepage.
- Providing contact information and links to your website(s) to help investors find more information.
