Municipal Finance Law Since 1971

Municipal Bank Loans and Direct Placements SIFMA Seminar: October 25, NYC.

Recently, there has been an increase in state and local governments turning to banks as a source of debt finance - instead of using a traditional public markets debt offering. However, with limited legal and regulatory guidance, this trend has raised important questions about transparency, regulation and whether bond investors have access to all the information they need to assess risks.

Join SIFMA for a half-day event during which our speakers will discuss the legal, regulatory, accounting and compliance questions that have arisen from this uncertainty.
