P3 Digest: Week of October 17, 2016

Powered by P3 INGENIUM: The most comprehensive source for P3 project updates in North America

State-level debates over how to fund transportation projects continued to dominate the landscape over the past week with proposals ranging from gas and sales tax hikes to toll charges to mileage-based fees. Meanwhile, legislators continue to consider bills that would make it easier for agencies to enter into transportation P3s and one state continues to spur innovation by encouraging developers to submit original proposals for such projects.
