
S&P Webcast Replay: An Update on State Pension and OPEB Liabilities in the U.S.

S&P Global Ratings held an interactive, live audio webcast and Q&A on Tuesday, November 1, 2016 at 3:30 p.m. Eastern Time where we discussed the results of our annual survey and our view of credit implications for U.S. States in the context of rising costs, funding trends, and revised accounting standards.

View the webcast replay.
