Bond Dealers of America Launches Small Firm Division.

The BDA, in partnership with Hilltop Securities Clearing, is pleased to announce the formation of the BDA's Small Firm Division which will provide direct, tangible advocacy for smaller broker-dealers and banks active in the US fixed income markets and which, until today, had no voice and no representation in Washington, DC. It's time Federal policy makers understand and appreciate the issues facing "Main Street" issuers, investors and dealers. The BDA's Small Firm Division will facilitate this direct advocacy.

Hilltop Securities Clearing is the 2017 sponsor of the Small Firm Division and has been instrumental in the Division's formation and leadership.

2017 leadership of the Small Firm Division:

Lana Calton, Chair

Managing Director - Head of Clearing
Hilltop Securities

Heath Hawk

President
First Southern Securities, LLC

Marco Listrom

President
Valdes & Moreno

Randy Nelson

President
Wells Nelson & Associates, LLC

Paige Pierce

President
R.W. Smith

Dwayne Calton

President
Calton & Associates, Inc.

Members of the Small Firm Division (SFD) will be given a forum to identify issues of common interest - whether regulatory, legislative or market practice - and together with BDA staff will work with DC policy makers on common sense, market driven solutions which benefit "Main Street" investors, issuers and tax-payers. SFD members will also be invited to all BDA events including the BDA's National Fixed Income Conference which has become the "must-attend" event for fixed income leadership at middle-market, regional and small firms headquartered nationwide. For more information on the BDA's Small Firm Division please contact Mike Nicholas at
