Social Finance Launches First-in-the-Nation Outcomes Rate Card Development Competition.

Last week we announced the Outcomes Rate Card Development Competition, which will position governments and nonprofit organizations at the forefront of innovation in outcomes-based policymaking. Outcomes rate cards scale solutions to society's most pressing challenges by standardizing the Pay for Success contracting approach. With one outcomes rate card, governments can launch multiple Pay for Success projects, directing resources towards effective social programs at greater scale.

The Competition is supported by the Social Innovation Fund, a program of the Corporation for National and Community Service. "The Social Innovation Fund is committed to bringing innovative solutions to communities across the country through Pay for Success," said Lois Nembhard, Acting Director of the Social Innovation Fund. "This competition is a great opportunity for more governments and nonprofits to engage in Pay for Success through outcomes rate cards."

To learn more join our webinars on Tuesday, February 21st at 3:00 pm EST and on Wednesday, March 15, 2017 at 3:00 pm EST. Webinar log-in is available on the competition webpage.
