Join CDFA for the [2017 National Development Finance Summit](#) in Atlanta, Georgia and attend a course from the CDFA Training Institute. This year the CDFA Training Institute is offering two in-person training opportunities: Intro Rural Finance Course and Advanced Tax Increment Finance Course.

CDFA's [Advanced Tax Increment Finance Course](#) builds upon CDFA's Intro TIF Course by focusing more concretely on structuring the deal and developing short- and long-term policies. You will also learn about performance monitoring, feasibility analysis and using TIF in conjunction with other development finance tools.

The Intro Rural Finance Course focuses on how the development finance toolbox can be structured to support rural communities and help them with strategies to invest in infrastructure, redevelopment, and job creation.
