Black & Veatch: Electric Industry Report

Black & Veatch is pleased to offer you the *2017 Strategic Directions: Electric Industry Report*.

The full report is available for you to [download here](#).

This report captures Black & Veatch's global engineering and thought leadership to examine how reliability, aging infrastructure and customer demand for green energy are driving investments in transmission and distribution. The report also explores how utilities — despite headlines suggesting potential rollbacks of emissions mandates — are driving the grid further toward sustainability.
