Signs and Speech Two Years After Reed: Webinar

The lower courts have had two years to apply the Supreme Court's holding in *Reed v. Town of Gilbert, Arizona* that content-based regulations are subject to strict scrutiny.

John M. Baker, Greene Espel, will discuss how local governments have been modifying their sign codes to come into compliance with Reed and how courts have interpreted the Reed decision in and out of the sign context.

Date: August 31, 2017
