## **Market Commentary: Lots of Noise in the Muni Market as Confusion, Concern Surround PABs, Refundings.**

The muni market outperformed Treasuries over the past week. Or it underperformed. Or it remained constant. It was a mixed bag for munis this week with yields rising slightly. However, finding a consistent theme is difficult because there is so much noise in the data right now, that it's difficult to tell where the market stands.

This Market Commentary is part of *Court Street Group's Perspective*. For a full copy of the report, [click here](#).
