S&P: California's Governor Brown, In Final Budget Proposal, Seeks To Preserve Fiscal Gains.

On Jan 10, 2018, California Governor Edmund G. Brown, Jr. unveiled his \$131.7 billion general fund (\$190 billion all-funds) budget proposal for fiscal 2019. The proposal is the final of the governor's tenure and, despite a recent revenue surge, arrives amid signs of a slowing state economy.
