## **Understanding the Investing in Opportunity Act: CDFIA Webinar**

**Thursday, February 15, 2018 | 1:00 PM Eastern**

### **Overview**

Around the country American communities are experiencing highly uneven economic development, resulting in large, regional pockets of disinvestment and unemployment. The recently enacted Investing in Opportunity Act aims to correct the aforementioned economic imbalances by incentivizing groups - through the temporary deferral of a tax on capital gains - to invest in distressed areas. In this CDFIA webinar, learn from our expert panelists how the Investing in Opportunity Act works, when the program will begin, and a host of other important details essential to understanding this new federal program.

Register in advance to confirm your participation and receive login information. Registration is free and open to all interested stakeholders.
