- And finally, Take It Up With Newton: Chainsaw Edition is brought to us this week by [Westmas v. Creekside Tree Service, Inc.](#), in which a woman was walking the paths of a spiritual retreat center when she was struck and killed by a branch lopped off by a tree trimmer. How is this possible? Ninja tree trimmers? I don't know about you, but I've a) never failed to notice the combination of heavy equipment and loud implements associated with tree maintenance, or b) noticed such an operation and thought it advisable to walk right under that tree. But hey, that's just me.
