## S&P U.S. Military Housing Sector 2018 Outlook: Sector Credit Quality Remains High.

S&P Global Ratings believes its rated issuers in the U.S. military housing sector have very high credit quality, with 90% of ratings in the ‘AA’ or ‘A’ categories in 2017. Our portfolio of public ratings covers 46 projects consisting of over 143,000 units of housing at bases throughout the U.S., and most of our projects exhibit strong debt service coverage (DSC) ratios, high occupancy levels…
