## **Trump's \$1.5 Trillion Infrastructure Plan: Unlikely to Impact the Muni Market in 2018.**

***President Trump's long-awaited \$1.5 trillion infrastructure plan is finally coming into the forefront of discussion moving into 2018.***

While details have been sparse, the proposed plan would put a heavy burden on local and state governments, as well as private corporations, and could have a significant impact on the municipal bond market. The upshot is that a finalized plan is unlikely to come to fruition in 2018 despite the administration's promises.
