San Francisco Issues Wastewater Infrastructure Green Bonds.

Green bond issuer San Francisco Public Utilities Commission (SFPUC) is seeking both domestic and international interest for its new tranches of Climate Bonds Certified green municipal bonds, of approximately \$402 million USD. Proceeds will be used to fund selected projects as part of the SFPUC Sewer System Improvement Project (SSIP), including stormwater, flood resilience, sewage treatment, wastewater, and associated control system infrastructure upgrades and is intended to address aging infrastructure, seismic reliability, combined sewer discharges, rising sea levels and localized flooding. Both the Series A and Series C bonds have been certified by Climate Bonds Initiative (CBI) under the Water Infrastructure Criteria.
