- And finally, That's Nice Jeff, But Keep An Eye Out For The Little Yellow Ones is brought to us this week by [Maytown Sand and Gravel, LLC v. Thurston County](#), a Supreme Court of Washington case concerning a "gravel mine." For those of you out there concerned that your children will be met with an endless series of commercial failures, may we suggest gravel mining? Perhaps we now have an anticlimax to rival, "For God, For Country, For Yale." "Eureka! I've struck gravel!"
