Ambac Announces Execution of COFINA Plan Support Agreement.

Advances Resolution of COFINA Title III Proceedings

NEW YORK, Aug. 30, 2018 (GLOBE NEWSWIRE) — Ambac Financial Group, Inc. (Nasdaq:AMBC) (“Ambac”), a holding company whose subsidiaries, including Ambac Assurance Corporation (“AAC”), provide financial guarantees, announced today that AAC, the Financial Oversight and Management Board for Puerto Rico (the “Oversight Board”), the Puerto Rico Sales Tax Financing Corporation (“COFINA”), Puerto Rico Fiscal Agency and Financial Advisory Authority, Bonistas Del Patio, Inc., other bond insurers, and certain holders of senior and junior COFINA bond claims have executed a Plan Support Agreement (the “COFINA Plan Support Agreement”) for the restructuring of all senior and junior COFINA bonds.

AAC insures \$808.5 million of the initial principal amount of Senior COFINA Capital Appreciation Bonds (approximately \$1,325.4 million of accreted value as of, but not including, the May 5, 2017 petition date (the “Petition Date”) in the COFINA Title III proceeding). AAC also owns approximately 58% of AAC-insured senior COFINA bonds.

The COFINA Plan Support Agreement furthers the agreement-in-principle announced by the Oversight Board on August 8, 2018. Under the COFINA Plan Support Agreement, the creditor parties agree, among other things, to support the filing of a plan of adjustment with respect to COFINA that provides for a distribution of Plan consideration comprised of new COFINA bonds and cash, with a face amount in the aggregate equal to approximately 93% (plus accrual, as of August 2018) of senior COFINA bond holders’ Petition Date claim amounts, without taking into account AAC’s insurance policy for the AAC-insured bonds, and a face amount of approximately 56% (plus accrual, as of August 2018) of junior COFINA bond holders’ Petition Date claim amounts. The contemplated Plan of Adjustment, once confirmed by the court overseeing COFINA’s Title III proceeding, will also finally resolve all COFINA-related litigation and validate the COFINA structure.

Under the COFINA Term Sheet (attached as an exhibit to the COFINA Plan Support Agreement), holders of AAC-insured senior COFINA bonds would have the option to elect to either (i) commute their rights in respect of the AAC insurance policy associated with the existing senior COFINA bonds, which bonds will be cancelled, in exchange for new COFINA bonds, cash amounts to be paid by COFINA, plus additional consideration provided by AAC, or (ii) exchange their senior COFINA bonds for trust certificates issued by a custodial trust, which trust would receive distributions from COFINA under the new COFINA bonds, plus payments under the existing AAC insurance policy in respect of any shortfalls. Payments on the new COFINA bonds deposited in the custodial trust would reduce AAC’s obligations on its insurance policy.

The terms of the COFINA Plan of Adjustment and related documentation which will effectuate the contemplated transactions remain subject to negotiation and court approval.

Claude LeBlanc, President and Chief Executive Officer of Ambac commented “While there is a lot of

work left to be done, the execution of the COFINA Plan Support Agreement is a definitive step towards a final resolution of Puerto Rico's debt restructuring and we are pleased to be a party to the COFINA Plan Support Agreement. The negotiated settlement of the Commonwealth-COFINA litigations also provides significant value to the Commonwealth through a sharing of the sales tax revenues, and resolution of the COFINA Title III proceedings will provide clarity regarding one of Ambac's key adversely classified credits."

The COFINA Plan Support Agreement, and related term sheet can be found on Ambac's website under the heading "Information for Investors Regarding COFINA Plan Support Agreement."
