## **CDFA EDA Revolving Loan Fund Webinar Series: Solutions for Revolving Loan Fund Servicing**

**October 16, 2018 @ 2:00 PM Eastern**

Awarding the loan is just the beginning of a longer process. In order to be successful, RLF staff must maintain regular communication with the borrower and provide ongoing loan servicing. Many RLFs have found success in building partnerships with professional lending institutions to manage their loan servicing while others prefer to maintain the servicing in-house. Listen as our expert speakers discuss options for loan servicing and best practices for choosing the right fit based on your RLF portfolio.

As a part of this webinar CDFA is conducting a brief survey to learn servicing structures used by EDA RLF peers. All information collected will be presented in aggregate during the webinar.
