S&P U.S. Public Finance: Advance Notice Of Proposed Criteria Change: Priority-Lien Tax Revenue Debt

S&P Global Ratings intends to publish on Oct. 22, 2018, its revised criteria for assigning ratings and related credit products to priority-lien tax revenue debt issued by municipal governments, state governments, or other U.S. public finance obligors where the pledged revenue stream is limited. The proposed revised criteria provide market participants with greater insight into the ratings methodology…
