S&P RFC Process Summary: Priority-Lien Tax Revenue Debt

S&P Global Ratings would like to thank investors, issuers, intermediaries, and all other parties who provided feedback to its “Request For Comment: Priority-Lien Tax Revenue Debt” and “Macro-Level Volatility Assessments Assigned To Six Types Of Tax And Fees,” both published Nov. 13, 2017. Following careful consideration of market feedback, we finalized and published our criteria titled “Priority-L...
