Williams v. Town of North Hero

Supreme Court of Vermont - October 19, 2018 - A.3d - 2018 WL 5093028 - 2018 VT 114

Town appealed decision by hearing officer of Property Valuation and Review Division to impose a \$2,000 discovery sanction against it in property-tax-reappraisal appeal.

The Supreme Court of Vermont held that hearing officer abused his discretion in imposing a monetary sanction against town, where town had fully complied with order compelling discovery.
