S&P U.S. Transportation Infrastructure 2019 Sector Outlook: Mostly Stable, Despite Expected Slower Growth And Unlikely Investment Package

S&P Global Ratings' 2019 outlook for business conditions and credit quality across most U.S. public transportation infrastructure sectors, including airports, ports, federal grant-secured, and parking, is stable. We are maintaining our positive outlook for the toll road and bridge sector and revising our outlook for the mass transit sector to negative from stable.
