S&P Webcast Replay: 2019 U.S. Municipal Water Utilities Outlook

Our US Public Finance utility and infrastructure team held a live, interactive webcast on Wednesday, January 23, 2019 at 2:00 p.m. Eastern Standard Time (11:00 a.m. Pacific Standard Time) where our analysts provided their views on the challenges and opportunities municipal water and sewer utilities will face in 2019. Will there be a federal infrastructure package? Any new environmental rulemaking? What about WIFIA, affordability and climate change.
