2019 Ohio Infrastructure Funding: How to Get It and Spend It Wisely

On January 14, 2019, the President signed the [Water Infrastructure Improvement Act](#) (H.R. 7279), granting municipalities new statutory tools to affordably confront expensive infrastructure challenges using Integrated Planning.

Bricker & Eckler, McMahon DeGulis and Muskingum Watershed Conservancy District are hosting a free series of public infrastructure planning events to discuss these tools and the integrated planning process.

This program will be offered in various Ohio locations February through May. For more information, including schedule, location details and to register, visit the [event page](#).
