Municipal Finance Law Since 1971

S&P Charter School Brief: Colorado

As of Feb. 19, 2019, S&P Global Ratings maintains 30 public ratings on Colorado charter schools. Colorado has the second-highest number of rated charter schools, after Texas. Colorado was the third state in the U.S. to enact a charter school law, and in 1993, the state's first two charter schools opened their doors.
