CUSIP Request Volume for Corporates and Municipals Increases.

NEW YORK, NY, MARCH 11, 2019 – CUSIP Global Services (CGS) today announced the release of its CUSIP Issuance Trends Report for February 2019. The report, which tracks the issuance of new security identifiers as an early indicator of debt and capital markets activity over the next quarter, found a noteworthy increase in requests for new corporate and municipal debt identifiers, while requests for international security identifiers declined in February.
