10 Years in Ports – Americas: Fitch Webiinar

Date: Thursday, April 25th, 2019
Time: 2:00 PM EDT

Fitch will host a webinar to discuss how ports have performed over the past decade, how this may change in the coming decade, and what challenges the sector faces going forward. This discussion will focus on trends in the Americas as well as globally.

Speakers:
Emma Griffith – Senior Director, Global Infrastructure Ratings
Isabella Magalhaes – Associate Director, Global Infrastructure Ratings
