## Fitch Webinar: ESG Relevance Scores for US Public Finance, and Infrastructure and Project Finance Now Available On-Demand

Environmental, Social and Governance (ESG) factors are increasingly important for investment decisions, which is why Fitch has introduced ESG relevance scores to show relevance and materiality of ESG to ratings.

### **Speakers:**

- **Laura Porter** – Managing Director, US Public Finance (Moderator)
- **Andrew Steel** – Managing Director, Sustainable Finance
- **Sara Anzinger** – Director, Sustainable Finance
- **Michael Rinaldi** – Senior Director, US Public Finance
- **Scott Zuchorski** – Managing Director, US Infrastructure and Project Finance
- **Glaucia Calp** – Managing Director, LATAM Infrastructure and Project Finance
