## **Key Dates & Deadlines for Opportunity Zone Investing.**

As 2019 winds down and the full benefit of the Opportunity Zones tax incentive expires, here are some key dates for investing in Opportunity Zones — past and future. Note: as IRS regulations are not yet finalized, these dates are subject to change. February 2, 2017: The Investing in Opportunity Act is introduced in the Senate and House. December 22, 2017: The Tax Cuts and ...
