Lumesis Makes Available a Free Service for COVID-19 Related Filings.

Lumesis, home of the DIVER platform, is launching a free service making available a consolidated list of all continuing disclosure filings made to the MSRB that relate to the COVID-19 pandemic, along with a link to each filing. The free service is available on the Lumesis website and will be updated three times daily during each business day (9am, 2pm and 7pm EST).

We are offering this service to assist all market participants to efficiently identify and access COVID-19 related filings made to EMMA. We know that identifying these important filings can be time-consuming. By leveraging our obligor-based database, technological know-how and outstanding team, we are able to provide the market a service that efficiently aggregates and presents important information shared by issuers for use in client communication, research or other needs.

To access the service, simply visit www.lumesis.com and click on the link below the heading "COVID-19 Disclosure Filings."
