## **NABL Submits Letter to IRS and Treasury.**

On July 22, 2020, NABL submitted a letter to the Treasury and IRS to inform the development of their 2020-2021 Priority Guidance Plan.

Topics include: recommendations to provide cash flow relief to issuers and borrowers from economic difficulties caused by COVID-19, recommendations to provide better access to capital markets for issuers and borrowers to deal with the economic difficulties caused by COVID-19, and additional requests for further guidance.

Find the full letter [here](#).
