

Bond Case Briefs

Municipal Finance Law Since 1971

- [SIFMA Issues Updated MSRB Rule G-17 Model Risk Disclosure Documents.](#)
- [SIFMA Updates MSRB Model Disclosure Documents: Cadwalader](#)
- [SIFMA Updates Model Documents for Libor's End.](#)
- [SIFMA Municipal Securities Markets Documents.](#)
- [SEC Settles Charges Against Municipal Underwriter for Unfair Practices and Misleading Advertising in Connection With its Distribution of New Issue Securities: Ballard Spahr](#)
- [Bond Market Tax Haven Shrinks as Corporate-Style Munis Surge.](#)
- And finally, BCB's Department of Reasonable Expectations is brought to us this week by [Mississippi Sand Solutions, LLC v. Otis](#), in which Mississippi Sand Solutions set the (sand) bar low by striking out to mine sand. And struck sand they did. Eureka. Despite the triumph of hitting the sand motherlode, there remains the redundancy issue: isn't sand *always* the solution?
