## **Bonding Time Podcast - Credit Analysis with Tom Kozlik**

This installment of Bonding Time featuring Tom Kozlik of Hilltop Securities discusses the American Rescue plan which provides \$350 billion in unencumbered funding to state and local governments, and the growing potential this provides for a post-COVID economic boom. We also discuss lessons learned from the Great Recession recovery and how that is impacting current policy.

Bonding Time will continue to feature a selection of market experts to discuss the current state of the municipal market combined with Federal legislative and regulatory policies impacting muni market structure.

### **Topics will include:**

- Potential for a Post COVID Boom
- The American Rescue Plan
- Impact Muni Credit
- Federal Policy Outlook, with Brett Bolton of the BDA
