S&P U.S. Public Finance Mid-Year Outlook: Beyond COVID?

Key Takeaways

- Credit stability has returned for U.S. public finance and we expect it to continue for the remainder of the year.
- Strong economic growth has translated to positive revenue performance for most issuers and the economic outlook for the rest of the year is favorable.
- The unprecedented federal response to the pandemic with multiple rounds of stimulus has supported the economy and finances of issuers.
- Active management by issuers has supported credit quality across all sectors and will continue to be important as COVID-19 lingers and other ESG related risks present fiscal challenges.
