[NFMA Introduction to Municipal Bond Credit Analysis.](#)

Each year since 1987, the NFMA has held the Introduction to Municipal Bond Credit Analysis. Though the pandemic has prevented the in-person presentation again this year, we have invited speakers to discuss eleven topics over three afternoons, on **November 17, 18 and 19, 2021**. This course is designed for new analysts, support and sales personnel, and has also been found worthwhile for seasoned analysts seeking to brush up on other sectors. Non-members are welcome to attend.
