MSRB Reviews Initiatives under Strategic Plan: Cadwalader

At its quarterly Board of Directors meeting, the MSRB [reviewed](#) initiatives under the strategic plan for the municipal securities market (see previous coverage [here](#)).

The MSRB considered updates on:

- outreach to ensure municipal securities advisor principals are qualified with the Series 54 exam by November 30, 2021;
- the MSRB request for public comment on amendments to MSRB Rule G-27 ("Supervision");
- implementation of new MSRB Form G-32 for filing primary market data;
- the Electronic Municipal Market Access website's redesign; and
- environmental, social and governance considerations in the municipal market.
