Orrick Webinar: Financing Affordable Housing with 501(c)(3) Bonds - Replay Available

Webinar | December 14.2021 | 11am - 12pm (Pacific Standard Time)

In a market where volume cap is becoming less available, 501(c)(3) entities provide an alternative means of accessing capital to provide affordable housing. This webinar will be a discussion of the different ways 501(c)(3) entities can be used, including accessing capital directly in the corporate market, accessing the tax-exempt market, or providing bridge financing until volume cap is available in a jurisdiction.
