- And finally, Parent Of The Year is brought to us this week by [Davison v. Rose](#), in which Brian C. Davison sued after being banned from school property following a pattern/practice of worrying behavior, including forcing his children to distribute defamatory flyers to their classmates. (Therapists everywhere thank you.) This type of disruptive behavior struck us as part/parcel of this point in time until we realized that these incidents took place in 2014. Not to worry, surely the current QAnon anti-vax madness has gentled his condition. Surely.
