NASBO FY2023 Proposed Budget Summaries & National Overview (New)

Overview

Over the course of the past several months, governors in 33 states have released their fiscal 2023 budget proposals. Last year, 17 states enacted budgets covering both fiscal 2022 and fiscal 2023; in seven of those states, governors released a supplemental or revised budget recommendation for fiscal 2023. The remaining ten states did not release a new or revised budget proposal for fiscal 2023. 46 states begin their fiscal year on July 1 (New York begins its fiscal year on April 1, Texas on September 1, and Alabama and Michigan on October 1).
