Development Finance and the Cannabis Industry: CDFA Webinar

Tuesday, July 19, 2022. | Tue 2:00 PM - 3:00 PM

Across the country, 18 states have legalized recreational marijuana, and this list is expected to continue growing in the years to come. As the cannabis industry expands, there is significant opportunity for the development finance sector to play a role in financing the production and processing infrastructure, dispensary facilities, and overall business development.

During this installment of the CDFA // BNY Mellon Development Finance Webcast Series, we will explore the creative financing approaches that are providing capital to the emerging cannabis industry, and the economic benefits to states that have legalized the sale of recreational and medical marijuana.
