CDFA // BNY Mellon Development Finance Webcast Series: Financing Tools to Invest in Clean Energy

Tuesday, October 18, 2022 2:00 PM - 3:00 PM Eastern

Investing in clean energy is a critical component of building a sustainable economy and results in a wide range of benefits: increased grid reliability, lower long-term energy costs, better air quality, job opportunities, and more. Many financing tools are available for state, local, and tribal governments to develop clean energy strategies and achieve environmental goals. During this installment of the CDFA // BNY Mellon Development Finance Webcast Series, experts will provide an overview of the resources and financing tools – such as PACE financing, green bonds, and energy tax credits – that can help communities seize the benefits of investing in clean energy.
