The Financial Data Transparency Act: What GFOA Members Need to Know - Podcast

Currently, U.S. Senators are considering including the bill (S. 4295) as part of the federal defense authorization legislation that must be taken up before the end of the year. GFOA has long advocated for governments to demonstrate transparency and accountability by making financial information readily accessible to the public, but hastily passing this bill may create data standards that opens the door to directing the use of specific technologies for reporting governmental financial information.
