Fitch Ratings Credit Outlook North America 2023.

Wednesday January 18, 2023 | 9:00am - 12:00pm EST

Please join us for our Virtual North America Credit Outlook Conference.

Credit markets today are at a crossroads, as inflation, geopolitical tensions, slowing economies and more contribute to ongoing rate increases, supply chain disruptions and energy shortages - challenging both sovereigns and corporates.

What should we expect for 2023, and how will global markets contend with pressure on demand and costs, vulnerable property markets, fluctuating commodity prices and diminishing financial profile strength?

Register now to secure your place! Additional sector outlook webinars will be announced shortly.
