Municipal Finance Law Since 1971

Empty Office Buildings May Sap San Francisco City Tax Revenues.

Bond investors may be underestimating the financial challenges facing San Francisco, the wealthy West Coast tech citadel, in a work-from-home world.

Why it matters: The persistence of remote work in San Francisco shows how the COVID-driven restructuring of the American office can have broad and unexpected implications throughout the economy — even in the normally sleepy market for U.S. municipal bonds.

Driving the news: Vacancy rates in San Francisco's office sector soared to a record high 27% percent at the end of last year — and the city's downtown area has had the worst pandemic recovery in the country, [according to the San Francisco Chronicle](#).
