GASB Proposes Guidance to Assist with Application of Subscription-Based Information Technology Arrangement.

Norwalk, CT, February 6, 2023 — The Governmental Accounting Standards Board (GASB) has issued proposed implementation guidance that is intended to clarify, explain, or elaborate on existing guidance on subscription-based information technology arrangements (SBITAs).

The [Exposure Draft](#), *Additional Proposal for Implementation Guidance Update—2023*, addresses the single issue of whether a cloud computing arrangement meets the definition of a SBITA as defined in GASB Statement No. 96, *Subscription-Based Information Technology Arrangements*.

If cleared as final implementation guidance, the question and answer in this supplemental Exposure Draft will be added to previously exposed questions and answers to result in a final Implementation Guide, *Implementation Guidance Update—2023*.

The guidance in Implementation Guides is cleared by the Board and constitutes Category B GAAP.

Stakeholders are asked to review the proposal and provide input to the GASB by March 10, 2023. Comments may either be submitted in writing or through an [electronic input form](#).
