BDA Bonding Time: A Discussion with Tom Kozlik of Hilltop Securities on Rates and Issuance in 2023

The BDA's most recent episode of Bonding Time features a discussion with Tom Kozlik of HilltopSecurities. The podcast was led by Brett Bolton of the BDA and covers:

- The Fed likely staying the course over first half of 2023 and its impact on Hilltop's issuance prediction
- Municipal credit outlook and the potential need for lifelines for key sectors such as mass transit
- An update on debt ceiling negotiations in Washington, DC
