State of California: Fitch New Issue Report

California's 'AA' Issuer Default Rating (IDR) and GO rating incorporate the state's large and diverse economy, which supports strong, albeit cyclical, revenue growth prospects, a solid ability to manage expenses through the economic cycle and moderate long-term liabilities. Strong fiscal management, institutionalized across administrations and demonstrated through build-up of the budgetary stabilization account and elimination of past budgetary borrowing, allows the state to better withstand economic and revenue cyclicity.
