Calif. Community Choice Aggregator Taps Green Bond to Lower Costs of Renewable Energy Procurement.

California's community choice aggregator Clean Power Alliance has arranged for the issuance of a municipal non-recourse Clean Energy Project Revenue Bond through the California Community Choice Financing Authority.

The nearly \$1 billion bond issuance is expected to reduce CPA's renewable energy costs by approximately \$66.7 million over the initial eight-year period of the bonds, or an average of \$8.3 million annually.

Energy prepayment bonds are long-term financial transactions available to municipal agencies like CPA to provide power procurement cost savings.
