State of Texas: Fitch New Issue Report

Texas' 'AAA' Issuer Default Rating (IDR) and GO bond rating reflects its growing economy and the ample fiscal flexibility provided both by its conservative approach to financial operations and the maintenance of substantial reserves, including in its budgetary reserve, the economic stabilization fund (ESF). The Texas Water Development Board issues GO water financial assistance bonds under various constitutional provisions to support water conservation and infrastructure projects throughout the state. Most GO water financial assistance bonds are self-supporting from repayments of project loans and income received from investments.
